BUILDING GREEN FUTURES

APPRENTICESHIP READINESS FOR YOUNG ADULTS (18+)

SPRING & FALL CLASSES

► Explore careers that start with Registered Apprenticeship in construction & environmental industries
► Gain work readiness skills
► Make a BIG impact in our community!

• Work with your hands
• Address barriers to employment
• Possibly entrance to BF200
• 5 week program
• Stipends for participants

Participants must be vaccinated for COVID-19 (we can help!)
