

BUILDING GREEN FUTURES

Are you:

- 18 - 24 years old?
- Interested in exploring rewarding, high-paying careers?
- Ready to make a difference in cities across the state?

Be part of the next Building Green Futures class!

At BGF you'll gain skills & experience:

- Apprenticeship readiness
- Physical training
- Site work
- Tools & safety
- Career exploration

Stipends for participants. Support for your next career move for graduates.
